

Simi Settlers' Amateur Radio Club

Short Circuit

1	Timely Information
2	Nets of Interest ACS/ARES Corner
3	Member Updates
4	The Marketplace
5	Simi Settlers' Leadership
6	Membership Form

The next **meeting** is at the

Simi Senior Center,

3900 Avenida Simi, Simi Valley.

Thursday May 8, 2025 at 7:00 PM.

The next **Pizza Night** is at

Toppers Pizza, 2408 Erringer Rd, Simi Valley

May 1 at 6:00 PM

Alas, Linda Parker (Wife of Jim KJ6LXJ) passed away on April 22. Linda was our Public Information Officer for many years and will be missed.

May 2025

Timely Updates

The **spring picnic** is confirmed for this weekend **April 27th Gazebo C, 9am** to 1pm at Rancho Simi park in Wood Ranch. The address is 556 Lake Park Dr, Simi Valley.

Stop by and have a hot dog or hamburger, compliments of the club. Bring your radio or something for show and tell, or sell. Under the gazebo, so no problem if there is a bit of rain...

The **Simi Valley Street Fair** is Saturday May 3 at the Town Center. Frank KI6OQ will be manning the ACS booth, and we are invited to help answer questions or just hang out. Bring a radio for listening or show and tell?

Voting for club officers is at the **June** meeting. Want to try for one of the positions?

Dues are due in **June**. Print out the last page, or we will have a few forms at the meeting.

How about you stop by and say hi on the **Sunday night net**?

8:30 PM on the Simi Repeater 146.805.

Did you know: The Settlers are no longer in the **Chamber of Commerce**. Not much return for the membership cost.

We are going to join the **Simi Valley Community Council**. For more information, contact Brian KM6MIN or see <https://svcommunitycouncil.org/>

At the meetings, the **raffles** are intended to be a fundraiser for the club. Clean out your piggy bank and bring a few dollars to the meetings!

May 2025

A selection of NETS

Monday	Condor Connection (Plays Newslines)	7:00 PM	Frazier Mountain 224.720-1.6 MHz PL156.7

May	4	Brian KM6MIN
	11	Kevin KD6UTC
	18	Matt N3AR
	25	Ron K6RIN

May 2025

ACS/ARES Corner

Frank Valdez KI6OQ is the Area 1 Emergency Coordinator

We are always looking for ACS members that would like to become Net Controllers. You will receive hands-on training at the Simi Valley PD (where we normally conduct the Weekly Net). It is both fun and at times challenging. You will gain valuable experience in running a controlled Net as well as becoming more than just familiar with the equipment in the Radio Room at the PD. If you would like to volunteer for this, just message Frank Valdez at frankki6oq@gmail.com.

If anyone is interested in how to set up your own packet station, RMS Winlink station, or a Mesh Node, contact Frank, he will point you in the right direction.

The **Area 1** (Simi Valley) net occurs **Tuesdays**. Generally it is just a brief check in, but usually some news about upcoming events is passed on. **Stop by and say Hi.** You do not have to do anything other than check in to test out your simplex or repeater connection.

The Tuesday **HF net** during summer months is on 7.242 +/- at **6:30 PM**.

During the winter, it is back to 3.987 lower side band.

The Tuesday **simplex net** is on 145.510 at **6:45 PM**.

The Tuesday **repeater net** is on the 146.805 (-0.6 MHz, PL 100) repeater at **7:00 PM**.

NOTE: Please be advised that we hold the Tuesday **countywide** net at 19:30 (7:30PM) on the Sulphur Mountain WD6EBY repeater 145.200, minus 600 KHz offset, CTCSS of 127.3. Until further notice, this will be our standard frequency for countywide communications.

Visit vccomm.org for more updates.

For the Tuesday night nets:

22-Apr-25 Lisa Trent	KK6AKR
29-Apr-25 Frank Valdez	KI6OQ
6-May-25 Ron Nelson	K6RIN
13-May-25 Eric Oberg	KE6MLF
20-May-25 Bill Woods	AB6BW
27-May-25 Dante Smith	W6JCQ

May 2025

Upcoming Events

Here are some of the events the Settlers (and other clubs) have supported.

April 26 Ride for the Red - vccomm.org

May 3 SoCal Ride, Walk & Roll to Cure ALS - vccomm.org

May 2-4 Coyote Two Moon trail race

May 26 Memorial Day - Flags at Simi Cemetery - contact Brian KM6MIN

May 15 **Peace Officers Memorial** - contact Ron K6RIN

August 16 & 17 Wings over Camarillo

Member Updates

Mountains 2 Beach Marathon From Eric KE6MLF

A bunch of us assisted with communications on the marathon from Ojai to Ventura on Sunday April 14th. A little cool for us, great weather for the runners.

The SAG drivers did about a dozen trips, and there were no medical emergencies (that we know of).

Over 50 of us at fixed stations, mobile, and in Ventura at the control or shuttle stop.

The 10K had 270 runners, the half Marathon had 1430 runners, the full marathon had 1700 runners.

Missed a picture of Avi K6AVI.

Station Delta with Frank KI6OQ and Donnie KJ6TTN

May 2025

Station Foxtrot with Joe W6JWP and Stuart K6MQA

Stuart was sitting in the car to use the mobile radio and mag-mount. Joe's handheld was not getting in too well. This is a tough area to get good coverage.

May 2025

Station Hotel with Brian KM6MIN and Dave KM6FQ

May 2025

Station India with Doug WA6RJN

May 2025

Sag 3 was Greg W6GRG taking a break between routes

May 2025

Missed a picture of SAG 1, Eric KB6DYJ

(So here is a photo from Saturday the 12th, at his other job.)

May 2025

With me on the chase bikes were Chester K1GKM and Larry K6LWG

They both highly recommend the Donut Hole in Meiners Oaks.

May 2025

Chester and Larry with the last runner North of Ojai in the ranches and orchards

And again with two runners through downtown Ojai

May 2025

Lets recap:

Up at 3 AM, arrive at the finish line by 4 AM, get trucked up to the start line by 5 AM. Race start was at 6:10 AM.

Larry, Chester, and I rolled in with the last 6 runners finishing between 7 hours and 7:30. Burt KA6BJA, Rob W6BI and a few others were just finishing up packing the ACS trailer away.

Beer kegs all empty, food trucks all packing up. Home to shower, eat, and put all the stuff away.

Foxhunt - Forwarded from KC6MEH Michael

<https://w6sd.com/>

Please come to our foxhunt, **April 26**, Veterans Memorial Park, in **Sylmar**:

Join us for the classic 2 meter Radio Directional Finding Foxhunt

April 26, 2025 10am to 1 PM

Veterans Memorial Community Regional Park

13000 Sayre Street, Sylmar, CA

Hosted by the San Fernando Valley Amateur Radio Club

There will be 5 transmitters hidden in frequency 146.565

Talk in frequency will be 145.570

Start location and parking just right as you enter the park. Enter 34.32638, -118.41576 into your smartphone's map.

SSARC Marketplace

This section of the newsletter is for Simi Settler club members to post various used or previously owned items for sale that they may no longer have a need or use of. Please submit a brief description of the sale items (along with a photo if possible) and suggested price to Eric Oberg KE6MLF, the newsletter editor, at least two days before newsletter publication. It is suggested that a portion of each sale be donated to the SSARC treasury to help support the club's several activities. The term "OBO" means "Or Best Offer" and serves only as a starting point in negotiating a fair price.

.....

MFJ-335 MOBILE ANTENNA MAGNETIC MOUNT

This heavy-duty 5" diameter magnetic antenna mount uses a powerful 2.5 pound magnetic base for secure mounting on top of most vehicles. It features a standard 3/8-24 threaded receptacle for attaching various hamstick or other whip antennas as needed. The 9-1/2 ft. length of RG-58 cable has a standard PL-259 UHF end connector. Typical cost of this magnetic antenna mount from MFJ or DX Engineering is \$29.95.

Condition: Excellent Price: \$5 or OBO. Contact Mike Tweedy KV6I (805-231-9683)

REALISTIC PRO-42 SCANNER

The PRO-42 is a handheld 10-channel programmable scanner radio capable of receiving FM frequencies in three separate bands: 30 MHz to 54 MHz (VHF Low), 138 MHz to 174 MHz (VHF High) and 380 MHz to 512 MHz (UHF). The unit features keypad entry programming buttons plus standard volume and squelch controls to set desired audio level. The display is an LCD type with a backlit display for improved readability in low-light conditions. It includes a channel lockout capability with an optional 2-second scan delay to eliminate missed replies. The unit has a built-in internal speaker plus a headphone output jack. Antenna input is a BNC-type connector for connecting to an 8-inch flexible antenna (included) or an outdoor antenna if desired. Power (9VDC) is provided by six internal AA batteries or via an external power jack. A separate charger input is also provided should rechargeable 1.25 volt nickel-cadmium batteries be used instead. A convenient belt clip is also provided for ease of use.

Dimensions are 6.75" tall x 2.75" wide x 1.50" deep. Weight is 15.9 Oz.

Condition: Very Good Price: FREE! Contact Mike Tweedy KV6I (805-231-9683)

May 2025

LAFAYETTE RADIO MODEL TE-50 TUBE TESTER

This portable tube tester from Lafayette Radio is perfect for testing vacuum tubes from classic radios and television receivers sold back in the day. It has eight tube sockets capable of testing standard Octal, Loctal, 7-pin miniature, 9-pin miniature types as well as 9- and 12-pin Compactron tubes and nuvistor tubes that were popular back in the 1950's and 1960's. Tests include leakage, shorts and tube emission (e.g.- gain or μ -measurements). The tester includes a slide-out chart drawer plus supplemental charts for newer-type tubes listing the required selector switch and slide switch settings for each tube under test including a test clip for testing tubes with high-voltage anode top caps such as those used for horizontal sweep circuits of earlier televisions. Similar Lafayette Model TE-50 Tube Testers are listed on E-Bay for \$99.99 or more.

Condition: Very Good Price: \$5 or OBO. Contact Mike Tweedy KV6I (805-231-9683)

May 2025

RADIO SHACK MODEL 15-1244 RF MODULATOR

This Radio Shack RF modulator can provide an NTSC type RF signal to older TVs or video monitors that require an analog signal as an input. The output is user-selectable for either channel 3 or channel 4 output and can provide 75 ohm or 1k ohm impedance. Input is AV video/video using standard phono-type plug cables. An RF coax jumper cable is provided.

Condition: Excellent Price: FREE! Contact Mike Tweedy KV6I (805-231-9683)

May 2025

EDSYN MODEL CL1481 SOLDER STATION

This solder station contains a 30 watt soldering iron, a soldering iron holder, a cleaning sponge and 4 different types of interchangeable soldering tips. Unit was originally won as a raffle prize and never used, but has been tested to work OK.

Condition: Excellent Price: FREE! Contact Mike Tweedy KV6I (805-231-9683)

May 2025

TOWER CLIMBING HARNESS

This is a heavy duty tower climbing harness for climbing towers to repair existing antenna elements or to install a new antenna on top of a tower. The belt is of rugged leather construction with safety clip-ons to provide safety and security during a tower climb.

Condition: Fair/Good Price: FREE! Contact Mike Tweedy KV6I (805-231-9683)
